

FREEZZANESE in Corsica and elsewhere...

**On the 20 of december 2008,
the Rizzanese* invites you**

With our presence, during this winter solstice, we want to pay a tribute to the river and what it represents, the symbol of a precious nature that should'not be wasted irresponsibly.

In Corsica

Near the river, starting 15h til night, we will share a moment of memory and history, made from whatever we will all bring, stories, music and a good meal around the fire.

**Place :From Zoza to Quenza,
approximately 2 km in a field on the right.**
